

M.D. Set Polling Places, Enumerators

The Council of the Municipal District of Wainwright No. 61 met in the Council Chamber of the District on Thursday the 8th day of January, 1948 at 10:00 a.m. Councillors Dallyn Spencer, Taylor, Sutherland, Smale, Arthur and Archibald present. Rev. Sutherland in the chair.

Moved by C. Spencer that the minutes of 15th December 1947 be approved as written. Carried.

Moved by C. Smale that accounts amounting to \$3248.65 be passed and paid.

Moved by C. Sutherland that the Statement of Receipts and Expenditures for the month ending 31st December 1947 be accepted as presented and incorporated in the Minutes. Od.

Moved by C. Archibald that the following D.R.O.s and enumerators and place of voting for 1948 Councilors and Hospital Trustees be approved:

Division 5:
Place of Voting, DRO & Enumerators:
Post Office
1. Buffalo View School 42-6, J. Currier, Cmr.
2. Park Road School 43-6, R. C. Hissett, Wainwright

Division 6:
1. Battle Creek 47-5, McLean Templeton, Wainwright
2. Giles 46-4, 47-3, Harry Pugh, Edgerton
3. Granddale 45-5, H. Hill, Heath
4. Saddle Hills 44-5, Frank Redmond, Edgerton
5. Plaxtonville 46-5, E. H. Goddard, Wainwright
6. Buffalo View School 42-6, J. Currier, Cmr.
7. Park Road School 43-6, R. C. Hissett, Wainwright
8. Greenhills 44-5, 44-6, W. White, Greenhills
9. Health School 44-5, W. White, Greenhills
10. IOOF Hall, Wainwright, J. A. Girard, DRO only, Wainwright
11. Prosperity School 44-4, 45-1, J. Gordon Sr., Chavuin
12. Pelican School 45-3, 46-3, H. Moseng, Edgerton
13. Rona School 45-2, Emil Nymetvold, Chavuin
14. Porter Lake School 44-2, Mrs. C. Bloomhouse, Edgerton
15. Bloomington Hall 44-3, Mrs. C. Tunney, Edgerton
Trustees Wainwright Municipal Hospital No. 17
1. Battle Creek 47-5, McLean Templeton, Wainwright
2. Giles 46-4, 47-3, Harry Pugh, Edgerton
3. Granddale 45-5, H. Hill, Heath
4. Saddle Hills 44-5, Frank Redmond, Edgerton
5. Plaxtonville 46-5, E. H. Goddard, Wainwright
6. Buffalo View School 42-6, J. Currier, Cmr.
7. Park Road School 43-6, R. C. Hissett, Wainwright
8. Greenhills 44-5, 44-6, W. White, Greenhills
9. Health School 44-5, W. White, Greenhills
10. IOOF Hall, Wainwright, J. A. Girard, DRO only, Wainwright
11. Prosperity School 44-4, 45-1, J. Gordon Sr., Chavuin
12. Pelican School 45-3, 46-3, H. Moseng, Edgerton
13. Rona School 45-2, Emil Nymetvold, Chavuin
14. Porter Lake School 44-2, Mrs. C. Bloomhouse, Edgerton
15. Bloomington Hall 44-3, Mrs. C. Tunney, Edgerton
McCauley School 42-5, 42-4, L. G. Kay, Edgerton
16. Rosemary Hall 43-5, 43-4, R. Pusey, Edgerton
17. Ribstone Community Hall, 43-2, 43-3, J. Freestone, Ribstone
Trustees, Irma Municipal Hospital No. 55
1. Village of Irma, Village Office, A. C. Charter, Irma
2. Roseberry School, C. L. Youmker, Irma
3. Residence J. A. Bell, NW 21-44-9, J. A. Bell, Irma
Secretary reported on correspondence from Robert Fair, M.P. re P.F.A. 1946, 46-9-4.

School Pee-Wee Hockey

The recently organized School Pee Wee Hockey League got away to a fine start on Saturday morning, January 17, with a bargain day double-header, all for the one admission price—just the desire to see a lot of kids having a grand time trying to beat each other's ears off at hockey, and learning at the same time some of the game's fundamentals and developing a sense of good sportsmanship.

The first game between the Red Wings and the Black Hawks resulted in a tie, 2-2. The Red Wings lost no time in going to the front as they scored twice in the first period, Coffield parking the puck behind Murphy on a pass from Allott, and Leighton rifling one home unassisted. The Red Wings were full value for their lead having a good margin of the play in the first period.

Captain Murphy of the Black Hawks rearranged his line-up at the start of the second period moving himself up to the forward line and placing Simmons in the nets. This change paid off in dividends as it strengthened the attacking line considerably, adding some scoring punch. Play was fairly even for the first half of the second period with both goals making some good saves. Finally the persistent Black Hawks were rewarded when Murphy laid a perfect pass on Stiles' stick and the latter moved in a few feet and blasted the puck to the open corner past Darling.

The boys tired somewhat during the third period but the Black Hawks had enough left to salvage a tie when Stiles who played consistently throughout scored his second goal unassisted. A tie was a fair representation of the trend of play.

For the Red Wings Allott and Wear stood out, while for the Black Hawks Stiles and Murphy carried the play with Sheffield doing a lot of useful checking.

Line-ups:
RED WINGS (2)—Goal, Darling; Defence, Burns, MacKenzie, Wear; Forwards Allott, Leighton, Wilkins, Coffield, Campbell.
BLACK HAWKS (2)—Goal, Simmons; Defence, Kile, Sheffield, Driver, Forwards Murphy, Stiles, Wear and Copley.

Summary:
1st Period: R. W. Coffield from Allott, Leighton unassisted.
2nd Period: B. H. Stiles from Murphy. Penalties J. Wear
3rd Period: B. H. Stiles unassisted. Penalties J. Wear

Ladies Curling Club 1947-48

Any organization wishing to cater for the Ladies Banquet, Feb. 2nd, please contact Mrs. Bradley 19 or Mrs. Davidson 126 before January 24th.

Non membership rinks in town wishing to enter 'spiel may do so at a fee of \$2.00 per person—this includes banquet.

Grace United Church Annual Congregational Meeting

One of the best attended and most successful meetings in many years was held last Monday evening in the I.O.O.F. hall following a delicious supper served by the Ladies of the W.U.C. to which nearly 80 set down.

Promptly at eight o'clock Rev. Dobson who acted as chairman gave a few brief remarks and after thanking the ladies for their splendid efforts and the congregation for their attendance in such large numbers, at once got down to business. W. B. Clark acting as Secretary.

Reports were given by the Secretaries of the different organizations and all showed gains in each department. In all 1947 was the most successful year for the church as members admitted to the church. All obligations had been met, with in most cases good balances carried over.

John Deere Day Attracts Many

Mr. L. C. Torg, the local John Deere Agent for Wainwright, played host to a large crowd last Sunday at the annual event of the John Deere show in the Elks Theatre.

Approximately 350 persons saw the first showing which started at 1:00 p.m. and nearly 200 people attended the second showing starting at 3:30 p.m. On entering the show, which was free, everyone was given a card to fill out with their name and address along with other information, and during the different shows these cards were picked over to declare a lucky winner. Mrs. H. Heid and Mrs. E. Murray were the recipients of chocolates and Mr. John Challenger and Mr. Albert Heid were the men-winners, taking home with them a handy wrench each which was donated for the occasion. A youngster attending each showing did the picking of the lucky cards.

The feature for the occasion was a film entitled "Doctor Jim", starring Stuart Erwin. The story was about a doctor and his wife. From the time that the Doctor first emerged, his single life was a heart warming picture which was enjoyed by both audiences. Other features included the advertising pictures of the company, as well as pictures of interest to farmers in soil conservation.

Death of Former Resident of Aunburndale

Funeral services were held in Campbell Funeral Chapel, Wainwright, on December 27, 1947, for Raymond Samuel Rogers, who passed away in the Wainwright Community Hospital December 22nd, after a lingering illness.

The late Mr. Rogers was born in Hannibal Co. New York, November 29, 1878. He was married at an early age and had two sons. At the death of his wife he enlisted in the United States Army and served in Cuba, China and the Philippines during the Spanish-American War. After his discharge, he came to Canada and was employed for several years in Calgary, later home-staying in the Coronation district. In 1915 he married Ethlyn Boyd Meredith, and they moved to Wainwright, where their elder daughter was born. That year he moved to the Auburn Leaf district north of Wainwright, where he engaged in farming until his retirement, due to ill health in 1942, when he moved to Wainwright where he resided until the time of his death.

He is survived by his loving wife, two daughters, Evelyn of Athabasca, and Mrs. A. J. Lee (Maryville) of Wainwright; one step son, Robert Meredith of Edmonton; five grandchildren and a brother James in California. Two sons predeceased him. Interment took place in the Wainwright Cemetery. Rev. Rowan Binns officiating.

Former Resident Dies In Scotland

News has been received of the death of Mr. Alex H. Wilkie, a resident of the Trafalgar district from about 1912, where he engaged in farming for a number of years. When church services were conducted in the school Mr. Wilkie was a regular attendant and took an active part in Sunday School work. He was a veteran of World War I.

In May 1939 he and Mrs. Wilkie returned to their native land, having sold their farm. They have made their home at Grangemouth, Scotland until the present. After a very brief illness and heart attack he passed away December 8, 1947. Surviving are his widow Mrs. Wilkie, one sister Mrs. Bruce in Scotland and a brother in Australia, to whom the many friends in this district offer sincere sympathy.

Adeline Rebekah Lodge Install 1948 Officers

Members of Adeline Rebekah Lodge No. 54 held their first meeting for 1948 and installed their new officers for the coming term on Thursday evening, January 15th.

Sister Rose Taylor, D.D.P. of District No. 10, presided in the chair during the ceremony and installed the incoming officers ably assisted by Deputy Marshal, Sister Margaret Carrell, and her staff consisting of Deputy Warden, Sister M. Forrest, Deputy Secretary, Sister G. G. Warden, Chaplain, Sister C. Witherham, Deputy Inside and Outside Guardian, Sister E. Haywood and Musicians, Sister L. Stuart.

Officers installed for the year were: P.N.G.—Sister B. Harley; N.G.—Sister D. McCloskey; V.G.—Sister A. Donaldson; Chaplain—Sister B. Nordstrom; Warden—Sister L. Warden; Recording Secretary—Sister C. Huntington; Recording Sec.—Sister L. Walker; Treasurer—Sister J. Dundas; Financial Sec.—Sister G. Penby; R.N.G.—Sister M. Lissimore; L.N.G.—Sister H. Torrance; M.V.G.—Sister M. Buale; L.V.G.—Sister A. Palmer; Inside Guardian—Sister M. Steele; Outside Guardian—Sister A. Stuart; Musicians—Sister L. Stuart.

Sister B. Harley was elected as representative to the Rebekah Assembly in Edmonton from Adeline Rebekah Lodge No. 54.

After lodge a delicious lunch was served the members by the Past Noble Grand and the Noble Grand after which Sister R. Taylor, D.D.P. in a few well chosen words presented the retiring Noble Grand, Sister B. Harley, with a P.N.G. Jewel on behalf of the lodge as an expression of appreciation of her efforts and guidance as Noble Grand during the past year.

New Books In The Library

"Stars In My Crown"
By Joe David Brown
A gentle story of the Parson told by his grandson.
"Vernilion"
Idwal Jones
A story of adventure and travel dealing with the mining of mercury.
"This Is Ontario"
Catherine Hale
A motor trip through Ontario
"Three Came Home"
Agnes Newton Kiehl
The author, her husband and small son spent three and a half years in a Japanese internment camp—this is the story of those years.
"The Higher Hill"
Grace Campbell
All who enjoyed her "Thorn Apple Tree" will find good reading in this story set in Ontario during the war of 1812.
"The Trial of Soren Quist"
Janet Lewis
A novel set in Denmark about 1926—a different type of historical novel.
"Old Master"
Rine Kraus
The biography of Ian Christian Smith.
"The Stream Runs Fast"
Nellie McClung
A continuation of her own biography as started in "Clearing In The West".

Accident Takes Life Of Rail Worker

At approximately 11:30 a.m. on Wednesday last an accident at the C.N.R. yards in Wainwright took the life of Mr. John Kwamycia, a section hand who had recently arrived at this point from Shonts Alberta.

Mr. Kwamycia, 48 years old, came to Wainwright on January 8th, and had been with the C.N.R. for nearly 20 years, arriving in Canada from Poland in 1927. The only known living relative is a brother living at Detroit, Mich. U.S.A.

From information learned it appears that Mr. Kwamycia was working on the track, by a switch, and noticed an engine shunting cabooses at the time. He stepped back and did not notice that the cabooses were separated from the engine and were destined for another track, as switching operations were underway. Not noticing the cabooses they knocked him down severing his legs just below the knee. Mr. W. Bibby's truck being on hand at the time, was commandeered to rush Mr. Kwamycia to the local hospital, and shortly after entering he died.

Legion Curlers Compete For Championship

Four rinks played to a winner on Monday night of this week to determine who would carry the Wainwright banner to Viking on Wednesday. The Canadian Legion across the province is sponsoring a Legion Championship this year, whereby every legion branch has had a chance to compete.

The Thunder rink composed of Messrs. J. Morgan, Vic Devignon and Dr. O. Hauck, won out against the E. Nordstrom rink composed of Messrs. H. Wilson, G. Graham and G. Gundry.

The Dr. J. D. Wallace rink composed of Messrs R. Morrison, W. Ratray and G. Barritt, beat out the C. Reynolds rink composed of Messrs J. Davison, R. Ganderton and G. Kilduff, and then lost to the winners of the first competition.

The other play off for this line will be held in Viking today (Wednesday) and the winners of this event will compete with other winning rinks in Northern Alberta. The winner of the Northern Alberta Competition will play the winner of the Southern Competition. The winners of this event will petition to emerge as Provincial Champions.

Congregational Annual Meeting of St. Andrews Presbyterian Church

The annual Congregational meeting was held Monday evening, January 12, with a good attendance.

Rev. Young was chairman.

The session report showed an increase in membership during the year. Board of managers had a very successful year and have a good financial balance at the end of the year. Ladies Aid report was given by Mrs. Lepper. Secretary Treasurer, showing a good membership and a successful year socially and financially they also have a good bank balance. The Sunday School and Young Peoples report showed good progress.

The officers elected for the ensuing year were:
Mr. W. Carrell—Chairman
Mrs. F. J. Lepper—Secretary
Mrs. T. Torrance—Treasurer
Mr. W. Laird and Mr. R. Armstrong—members.

At the close of the meeting all enjoyed a lunch and social hour. The Church still marches on!

N.C. Club Holds Annual Meeting In Memoriam

The New Canadian Club held its annual meeting recently and officers were elected for 1948. They are: President—Mrs. B. Harley; Vice President—Mrs. B. Mitchell; Secretary—Mrs. H. Torrance.

The Club reports a very successful and pleasant year and are looking forward to a busy year during 1948.

In loving memory of a dear husband and father, Walter J. Huntington, who passed away Monday, January 22, 1948. Nothing can ever take away The love a heart holds dear. Fond memories linger every day. Remembrance keeps him near. Ever remembered by THE FAMILY

Farmers Bonspiel Planned For Jan 31

The members of the Wainwright Curling Club are planning to hold a farmers bonspiel on Saturday, January 31st, and farmers of the district are reminded to get their entries into Barry Bubbie as soon as possible. It has been a long time since such an event has been staged in Wainwright and it was thought that a farmers bonspiel would be enjoyed by farmers in the district who don't seem to get time to curl. It does not matter if the participants are regular curlers or not, as long as they are local farmers who will enjoy good sport.

Four sets of prizes are being offered, and while the latter three have not been chosen at the time of writing, the first prize will be four small pigs.

School Hockey

The Wainwright Intermediate School Hockey Team took on the Hardisty school team on Saturday afternoon and absorbed an 8-3 shellacking.

The visitors lost no time in going into the lead, scoring in the opening minutes of the first period. Terry scored possession in centre ice and quickly moved in on the Wainwright defence. He was flanked on the right by B. Bennfield who took a well-timed pass in stride, cut in towards the net and let fly a hard drive to the far corner. Madkins had no chance. The locals pressed hard and had a fair share of the play but lacked finish around the net. They were finally rewarded when Smith beat one past Groves on a set-up play from Terry. At this point it looked like a close game.

The visitors went ahead again when B. Bennfield clicked after a smart sortie down the right boards and the period ended with Hardisty leading 2-1.

The roof started to cave in for Wainwright during the second period when Hardisty scored three goals one each by Terry, B. Bennfield and Pon while the best locals could do was a singleton by Coffield on a scramble in front of the net.

The boys played out the string in the third period with Hardisty rattling the fifth three times, twice by Pon and once by B. Bennfield. Smith got one of those back for Wainwright when he shifted over the blue line and let go a long drive that slipped in under Groves' pads. The final score was 8-3.

The Hardisty boys well deserved their victory. They presented a well-balanced, hard-driving team, with a good passing attack, particularly by the Pon, Terry, B. Bennfield line. The home team, while it had a good share of the play, lacked a sustained co-operative attack. The puck carrier was inclined to stick handle one too often rather than pass and that is always fatal to any team. They had a few good scoring opportunities but these were spoiled by poor finishing.

Madkins played well in goal, while the Harden, Harley, Sheffield line, although small did some useful checking.

Bob Parker and Wallace Murray kept the game well in hand at all times.

Line-Ups:
Wainwright—Goal, Madkins; Defence, MacKenzie, LaFrance, McGregor, May and Mitchell; Forwards Smith, Terry, Coffield, Stiles, Ramussen, Marsden, Harley, Harden and Sheffield.
Hardisty—Goal, Groves; Defence, V. Bronson, Harverson; Forwards, Pon, Terry, B. Bennfield, Morrison, B. Bronson, Drager, Hardricks, A. Bennfield.

Summary:
1st Period—1. Hardisty, B. Bennfield from Terry
2. Wainwright, Smith from Terry
3. Hardisty, B. Bennfield
Penalties—LaFrance and Terry.
2nd Period—4. Hardisty, B. Bennfield from Pon
5. Hardisty, Pon
6. Wainwright, Coffield
7. Hardisty, Terry from Pon
Penalties—Terry, LaFrance & Harden
3rd Period—8. Hardisty, Pon from B. Bennfield
9. Hardisty, B. Bennfield from Pon
10. Hardisty, Pon
11. Wainwright, Smith
Penalties—None
Referee—Bob Parker
Linesman—Wallace Murray.

The Wainwright Star

"Your Friendly Paper"

Published at 422 Main Street, Wainwright
Every Tuesday Afternoon.
AUTHORIZED AS SECOND CLASS MAIL
P.O. DEPT., OTTAWA

WAINWRIGHT, WEDNESDAY JANUARY 21st, 1948

A NEW SCHOOL SOON

In the last issue of the Star most everyone read of the apparent over-crowding which is taking place at Wainwright's public school. The measures taken during the past month, are at the best, only temporary in nature and in a short time will outlive their usefulness.

What is taking place in the Wainwright school was foreseen as far back as five years ago, when during the war the birth rate of the country was hitting an all time high. It is now the high birth rate of five and six years ago that is catching up with the school capacities. This coupled with a decided movement from rural to urban living has made the situation acute across the province.

The present public school as it now stands has paid for itself many years ago, being built sometime around 1910. Since that date the prime function of any school building, to house education, has been well done. It is unfair to the children today to ask that the present building continue in service much longer.

Much advance has been made in late years in the architecture and design of public buildings, and especially schools. That which stands today as our hall of learning stands as an outdated school. The whole building is inadequate to today's needs. The lighting is far from satisfactory, the heating system is 37 years old and the floors are not the best to facilitate sanitary conditions. It is not our intention to paint a drab and dreary picture of the situation, but merely to show that someday in the not too distant future, the public will be asked to approve an expenditure of many thousands of dollars to provide the proper school buildings that are so urgently needed.

Members of the School Divisional Board are fully aware of the need for such construction. They are in the process of hunting up good sensible plans, going over them carefully to check details of what is needed and what can be dispensed with. There is some possibility that even the old building can be further used with an addition built to it. The only drawback to this idea, is we will then not have an up-to-date school building, but instead a patch up job which will only serve again for a period of time.

At present there is needed badly other schools in the division besides Wainwright's and likely we will have to wait our turn before any start can be made to improve our situation. The big thing to keep in mind is that a real earnest start should be made now on surveying the needs of different localities and their rough costs. This information together with some idea of what is wanted in the line of sizes and facilities, will form the nucleus of a building program unequalled since the pioneer days when this territory first opened up.

IVAN'S IN A TERRIBLE WAY

According to a Moscow despatch, an "average" Russian family, in which everyone works, has a monthly income of 1260 rubles, or \$239.40. Ivan, his wife and family, therefore, must budget on about \$59.85 a week.

Here is what Mrs. Ivan is faced with when she visits the Soviet equivalent of the Supermarket to lay in a week's groceries: 1 lb. butter, \$5.50; 7 quarts milk at 50¢ a quart, \$3.50; 1 doz eggs, \$2.50; 1 lb coffee, \$7.00; a 3-lb roast of veal, \$6.00; 1 lb. sugar, \$1.20. Total, \$25.70, before she even gets around to buying bread, bacon, vegetables, cooking fat, fruit, or cereals. Should her family happen to be smokers, she can buy as many packs of 25 cigarettes she likes—at \$1.20 a pack. Heaven help them if they like a glass of beer with their dinner. Beer is \$1.33 a bottle.

All this means that about once every Five-Year Plan she might save enough to buy one member of the family a pair of shoes at \$54; and every other Five-Year Plan there might be enough in the bank to get Ivan a suit at \$285.

The above are taken from prices fixed by the Soviet government at the time of its recent economic "reform." Comment is invited from Canadian communists, who sponsored petitions condemning our social system for allowing milk to rise from 12¢ to 15¢ a quart.

—The Printed Word

SOMETHING FOR US TO LOOK INTO

Last Thursday in an Edmonton paper there appeared a story by Thomas Henry, science editor to a large news syndicate, in which he relates a new method has been discovered whereby it is possible to make gasoline and alcohol from natural gas or coal in a manner described to be a cheap or cheaper than the present method from refining crude oil.

This process has been developed in the laboratories of Standard Oil Development Company and is being made available under license to anyone who wants it. While it is only in the laboratory stage there is every reason to believe that large scale manufacturing could be done at an expense lower than the present day methods.

What possibilities this holds forth for communities as Wainwright, only time can tell, but it is certain that Wainwright sits on top of a very large supply of natural gas. If at such time the oil reserves of Alberta dip to a dangerous low, no doubt interest might be aroused to such an extent that gasoline will be made within the area. Until such time though, it is not probable that anything will be done. With the huge investments that the oil companies have in refineries, it would not be feasible to chuck out the present method of obtaining gasoline and other by-products for something new and relatively untried.

This new process was invented and used extensively in Germany and during the late war stood as the guardian

by ottawa observer

Solon Low, national leader of the social credit party, started off gossip and speculation on political party prospects early in the new year by an unusual interview that has confirmed many observers in their belief that the party is torn by internal dissension. Some of the "current reports" which Mr. Low sought to deny and not been heard here before and indicate a much more serious breach in the party than had been expected.

Mr. Low's statement that he and Premier Manning had always remained close friends reminded many here that Mr. Low had held a position in the Alberta provincial cabinet under Mr. Aberhart. He continued to hold a portfolio under Mr. Manning from May 31, 1943, until October '44 when he lost his portfolio although remaining as a minister "without portfolio" until May 1945, so far as this observer knows no explanation has been given of this most unusual procedure.

Mr. Low's threat to down the Quebec social credit party if it was found to have "fascist" tendencies was another statement which surprised and puzzled. It is obvious that it will be difficult to maintain connections with the Quebec party in the face of this threat.

His third statement denying that the S. C. Party would unite with the Liberals or Conservatives was almost equally surprising. While there had been some rumors of collaboration between Conservatives and Social Creditors no one had suggested alliance with the Liberals.

The effect in Alberta

"The first question that arises here is 'what effect will this dissension have on the party?'", a local observer in Alberta. Reports from Alberta indicate that the party is disintegrating. If this so, who will replace them? As the Progressive Conservatives have withdrawn from the provincial field the Liberals and C. C. F. both hope to assume the mantle of government. If the most, partment vote in the University of Alberta is a straw in the wind it will be a close fight. This column gave the figures on December 8 - Liberals 564, C.C.F. 488, Social Credit 377, Progressives 103, L.L.P. (Communists) 78. With the party in disintegration it would seem that the next Alberta government will be Liberal or C.C.F. Speculation on a Liberal Meeting.

Interest is running high in press circles here in the Liberal Federation meeting which started on Jan. 19. The Prime Minister is advertised to address the meeting at a dinner on the evening of January 20, and there are numerous predictions as to what he will say. All agree that he will have a special message for Canada at this time and the press gallery and opposition parties are watching the preparations for the meeting closely for some clue.

Truman's Taxes

There is great interest here in President Truman's new income tax reduction of 40¢ for each taxpayer. The middle bracket taxpayers in U. S. will still be paying a higher income tax than in Canada. The income tax paid by a single person earning \$1800 in the U.S.A. will be reduced from \$220 to \$180 in Canada he or she pays \$175.

Canadian shipyards are making a substantial contribution to the restoration of world trade and the industrial development of this country. Some forty vessels, aggregating 99,000 gross tons, were completed during the past year, the first eleven months was \$10,000,000. Total deliveries consisted of fourteen cargo vessels, three passenger and car ferries, two passenger vessels, two colliers, one tanker, one tug, three trawlers and fourteen barges.

The coal bin should be as close as possible to the boiler or furnace and be well lit, advises the Canadian Institute of Plumbing and Heating. It should have a door of adequate size which is easy to open, and it should be designed. Moreover, the bin should be easy to fill from the outside.

of their gasoline supplies. The German product was far from superior to the best grades of gasoline that is developed from oil, but in the time of emergency, this and cost mattered little. The recent discoveries in the States last week are as good, if not better, than our present day ordinary gasoline. The article explains that today's engines are not ready for this new gasoline. The two will have to be developed together.

In any case it looks as if Wainwright will be the beneficiary someday, and at the present rate of petroleum consumption that day may not be in the too far distant future.

IN OUR TIME

"And of the end of six months you can go on strike for an extra five dollars a week."

Do You Remember?

Taken From The Star Files

TWENTY YEARS AGO

January 25, 1928
The Calgary Power Co. has made a proposal to purchase the town of electric plant and permission is now being sought from the Public Utilities Commissioners to give that company a ten year franchise.

At the age of 67 years Mr. J. Gehring, one of the earliest settlers of the district, passed away from the dread disease of cancer, Mr. Gehring and family settled here in 1908.

Mr. C. Powell of Gilt Edge was thrown from his horse and badly bruised last Friday in addition the

unlucky gentleman was kicked in the face by the animal upon rising.
The Rev. A. Love, former vicar of St. Thomas Anglican church left on Thursday for his new appointment at Vegreville.

★

FIFTEEN YEARS AGO

January 18, 1933
A banquet was held by the United Church Young People at the church Wednesday, January 11, as the termination of the membership drive contest.

A disastrous fire occurred Monday afternoon on the farm of P. Braasard, Sydenham. The fire of unknown origin broke out in the garage and workshop causing the loss of many valuable articles including harness, implements, washing machine, etc. Mr. Braasard was absent at the time of the blaze thereby resulting in the complete loss of contents.

★

TEN YEARS AGO

January 10, 1938
Having been appointed as the local delegate to the convention of the Canadian Brotherhood of Railroad Employees, being held in Winnipeg, Mr. Charles Calles left on Sunday last for the east, accompanied by his daughter.

The following articles appeared in the advertisement inserted by Forrester's Grocery in this week's issue: Sugar, B.C. granulated 90 lbs. \$1.45; Coffee, Nabob, 40 lbs. \$2.00; Spices, 10 lb. tin 75¢; Tomatoes 2 lbs. 25¢.

★

FIVE YEARS AGO

January 26, 1943
On Wednesday evening last Mrs. W. E. Washburn, P.W.G.M., was the installing officer for the incoming officers for Connaught Chapter O.E.S. in the Masonic Hall. She was assisted by Mrs. L. Stolt, Mrs. A. Schmitt and Mrs. M. Lally.

A large crowd attended the Annual meeting of the local Red Cross which was held in the town hall last week and enthusiasm for the work of this organization ran high. Reports given reflected the success which has been achieved during the past year and Mrs. Lally, convener of the work committee, pointed out that 126 individuals and 14 groups had labored faithfully in order to "make 1299 garments for the armed forces and refugees."

IMPROVING HONEY QUALITY BY GRADING

Grading does not improve honey; but if honey sold as graded is subject to check, care will be taken to produce and pack a high-quality product.

The need for grading is felt most when production is high in relation to sales. Poor stuff is then unsaleable and has the result of reducing the price on all grades because they are not differentiated. Grading is particularly essential when honey is sold on the export market.

Honey is divided into classes on the basis of colour—white, amber and dark—and each class graded 1, 2 or 3 on the basis of quality and cleanliness. No. 1 honey must not contain over 17.5% moisture (but honey containing more than 17.5% moisture may ferment if stored at too high a temperature). No. 2 not more than 18.6% and No. 3 not more than 20% moisture.

First grade honey must be free of pollen, wax and foreign material and the lower grades relatively so.

Mr. Armstrong reviewed the work that has been done toward securing uniformity in provincial honey grading regulations. To facilitate international and export trade it was important that all grading and enforcement of grades should be on a uniform basis. Only through central packing and grading can a uniformly well-graded blend of honey be

placed on the market. The output of many small packers is sure to be variable and contain lots that are not graded. Moreover, independent packers sell for the most part on a buyers market. National advertising will be effective only if the grading and supply of honey offered for sale can be depended upon.

How to Keep Away From Foulbrood

Beekeepers should avoid American foulbrood as they would the devil. The causal organism, *Bacillus larvae* depends upon man for transportation over distances greater than the range of bee flight. Used equipment should not be moved unless thoroughly satisfied that it is clean. The careless use of hive tools will spread the disease. Bee disease inspectors should not wear gloves because they cannot be cleaned readily.

The foulbrood larvae is carried in honey. For this reason, bees should not be fed honey produced in any other yard than the one in which it is fed. Bees may pick up American foulbrood by robbing discarded honey containers. A problem in control is to get the public to be careful about throwing out empty containers that have not been washed.

To prevent swarming is, to help control disease. An absconding swarm will get into a building, or tree and, if it becomes diseased, is a source of danger to all hives within flying distance.

Should disease be suspected, send a sample to the Provincial Apiarist. Narrow down the hive entrance. If your suspicion is correct, have an inspector supervise the clean-up.

FARMING NOTES

By Prov. Dept. of Agriculture

NEW VARIETIES OF FLAX
Current high prices and the need for flax has stimulated production of oil bearing seeds. Production of flax seed in Canada has remained high, the acreage in 1947 being about five times that of pre-war average. This world scarcity is expected to continue through 1948.

The yield per acre of flax varieties will be one of the more important factors influencing the acreage in the future. Farmers will be well advised to watch carefully yield tests on new varieties being introduced. In 1947 two new varieties Rocket and Dakota were licensed for sale in Canada, says W. G. McGregor, Cereal Division, Central Experimental Farm, Ottawa.

Rocket was selected by the Cereal Division, Central Experimental Farm from a cross of Redwing with an Argentine selection. It has yielded high, particularly in Manitoba. Rocket is resistant to flax rust but only moderately resistant to wilt and pasmus. It yields a high percentage of oil of good quality. The maturity of Rocket compares with Royal and cannot be recommended where early maturity is essential.

Dakota is a selection from the cross Renew x Bison made by the United States Department of Agriculture and appears quite widely adapted. In maturity it is earlier than the Bison variety while not as early as Redwing. Dakota is resistant to rust and wilt and moderately resistant to pasmus. The yield of oil while low is of good quality.

Two white blossomed varieties have been grown in recent years—Victory with brown seed, and Viking with yellow seed. These are both large seeded varieties of the maturity of Royal. Victory lacks uniformity in growth and somewhat in maturity also, but is very productive. Viking produces rather short straw. Both, though resistant to flax rust, are quite susceptible to pasmus.

Many named varieties and hybrid lines produced in Canada and the United States have been tested extensively. Arrow, Crystal, Sheyenne, and Minerva might be mentioned. Arrow is a later strain of Dakota and has behaved similarly, but is ap-

parently not so widely adapted. Crystal and Minerva are both rather late in maturity and not heavy yielders. The latter is noteworthy for good quality and has been used in the breeding program. Sheyenne while having the desirable qualities of early maturity and disease resistance has been lower in yield than that of Redwing and the other varieties.

The world situation with respect to flax and oil is still one of scarcity and it is expected that there will be a strong demand for the 1948 crop of flaxseed. Farmers wishing to maintain or expand their acreage should make early arrangements for their seed supply.

U.S. Dollar Shortage Explained

January 12th, 1948—Launching a nation wide educational programme concerning Canada's U.S. dollar reserve problems, which will be sponsored by the Junior Chambers of Commerce, A. F. W. Plimpre, Associate Editor of the Toronto Saturday Night, was the principal speaker at the annual Civic Night dinner of the St. Catharines Junior Chamber of Commerce Monday evening, January 12th. City and provincial officials, representatives of business and industry in the community and other guests heard Lloyd Goodwin, National Chairman of the Public Affairs Committee, announce on this occasion the organization's plan to promote Canada's tourist industry during the coming year and at the same time to do everything in its power to see that United States currency brought into Canada in this way would find its way into the common reserve pool which the country may use to purchase necessities in the United States.

"This country has a name, particularly in the United States, for being a sensible, law-abiding land," Mr. Plimpre said. "We are so because groups such as this take on the job, not only of understanding the law and obeying it themselves, but of explaining it to other people and urging them to do the same."

Outlining the current controls on pleasure trips to the United States and the banning and limiting of imports, the speaker said the reasons for such controls were a world-wide problem, the answer to which lies principally in Europe, which can't afford to buy Canadian goods. "Our customers are hard up; it's as simple as that," he declared. Admitting that many people believe steps should have been taken sooner, before Canada had used up approximately two-thirds of its reserves within a year, he pointed out that there was no use crying over "spilt reserves" and discussed at some length the control now in effect. While he agreed with critics that some products, such as bacon and beef, could be sold to the United States as a means of obtaining American currency, rather than diverted to Britain, he came out strongly in support of the government's policy not to depreciate the dollar value.

Mr. Plimpre gave support to some features of the opposition's criticisms of the current policy, but declared that the difficulties and dangers involved in devaluation of the dollar would considerably outweigh the advantages to be got from it.

He commended highly the plan of the Junior Chambers of Commerce to point out to Canadians how they, as individuals, can help to build up the supply of U.S. dollars in Canada, and how they can ensure that such supplies are used for the best possible purposes. The attracting of American visitors to Canada, either individually or through international organizations, is an important job for everyone, he said, stating that tourist expenditures brought more than 700 million dollars into Canada in 1946. The second job urged upon individuals was that of making sure all U.S. funds are channelled into the common pool of the Foreign Exchange Control Board, by turning such funds into their banks and by requesting an absolute minimum of American funds in the case of necessary trips across the border. "Your merry times in the night clubs of New York may be purchased at the direct expense of necessary imports into Canada," he warned. "More night club means less coal or oil or orange juice for Canada."

Red Cross Busy On Food Shipments

Nearly two and a half million pounds of bulk food, bound for the hungry peoples of Great Britain and Europe, were shipped overseas by January 1st of this year by the Canadian Red Cross Society. These shipments represent more than half of the \$1,000,000 food grant

allocated from the Society's remaining war funds in October to ease this winter's food crisis abroad.

Balance of the bulk goods has been purchased and is moving steadily toward the Atlantic seaboard.

The more than 80,000 cases on the way or already received overseas represent a value of \$500,000 and contain bulk foods that have been

specifically requested by the Canadian Red Cross Commissioner in London in co-operation with the British Ministry of Food.

Meat and meat preparations, corn syrup, fruit juices, dried milk powder, grain foods such as macaroni, rolled oats and corn and bran flakes, as well as large shipments of vitamin

preparations, were the main foods requested. Shipments are consigned for distribution to the Canadian Red Cross representative in Britain and, in Europe, to the Red Cross Societies of the respective countries concerned. All goods are labelled "Gift from the People of Canada through the Canadian Red Cross Society."

6th Consecutive Patronage Dividend To Pioneer Customers

If you delivered grain to us between August 1st, 1946, and July 31st, 1947, kindly call at our elevator and receive your patronage cheque.

We have paid a patronage dividend each year since the 1941 crop on all grain delivered to Pioneer elevators.

It is also our intention to pay a patronage dividend on this year's business, if our elevator earnings permit.

Patronage Dividends Paid in Cash Each Year Since 1941

Answering Your Questions ABOUT IMPORT CONTROL

MOST of the countries which are Canada's regular customers have not recovered sufficiently from the war to pay, in the normal way, for all the goods they need, despite extensive help from this and other countries. Nor are they able to send us enough of their goods to balance accounts—or to pay us in the kind of money which we, in Canada, can use to buy goods in other countries.

At the same time, Canada has been buying more goods than ever before from the United States and other countries demanding U.S. dollars. This is because these goods were not obtainable elsewhere and because of demand pent-up during the war.

Buying from the United States or U.S. dollar areas must, therefore, be temporarily reduced until our trading again becomes normal.

To meet this emergency, purchase of goods and services or expenditures for travel, which must be paid for with U.S. dollars, are now subject to control.

IF YOU ARE AN IMPORTER OF CONSUMER GOODS and wish to find out what goods are (1) prohibited, (2) subject to quota, or (3) unaffected by controls, see or write your nearest Collector of Customs and Excise.

IF YOU WISH TO IMPORT GOODS SUBJECT TO QUOTA and wish to establish your quota authorization to import, or need special information, consult your nearest Collector of Customs and Excise. Quota application forms (EC-1) and instructions for completing them, are available at all Customs Offices. These applications must be filed with the Collector of Customs and Excise.

IF YOU WISH INFORMATION ON THE AMOUNT OF YOUR QUOTA. After your application has been filed with your Collector of Customs and Excise, all correspondence about the establishment of quotas or cases of exceptional hardship through import prohibitions should be directed to Emergency Import Control Division, Department of Finance, 490 Sussex Street, Ottawa. Quotas are issued on a quarterly basis and any unused portion may be carried over into the following quarter.

IF YOU ARE AN IMPORTER OF PRODUCTION PARTS, STRUCTURAL STEEL, stone, machinery or other capital goods or automobiles, and wish to know the import restrictions in these classifications, write or see Emergency Import Control Division (Capital Goods), Department of Reconstruction and Supply, 385 Wellington Street, Ottawa.

IF YOU INTEND TO TRAVEL OUTSIDE CANADA and wish to know about foreign exchange available for this purpose, consult any bank or the Foreign Exchange Control Board at Ottawa, Montreal, Toronto, Windsor, Vancouver. If you wish information about personal purchases of goods made during travel outside Canada, consult the nearest Collector of Customs and Excise before departure.

IF YOU ARE A MANUFACTURER, WHOLESALE OR RETAILER and wish information about excise taxes, or about the list of goods to which they apply, consult the nearest Collector of Customs and Excise.

IF YOU NEED OTHER SOURCES OF IMPORTS consult the Foreign Trade Service, Department of Trade and Commerce (Import Division), Ottawa, regarding your supply problems arising from import quota restrictions. Through the Trade Commissioner Service, the Import Division is endeavouring to arrange increased supplies from the United Kingdom and other "non-scheduled" countries.

IF YOU ARE A HOUSEWIFE and wish information on available domestic foods which have comparable nutritional values to those now prohibited or subject to quota, informational material which has been prepared by the Nutrition Division of the Department of National Health and Welfare may be secured from your Provincial Health Department or local health unit.

The administration of these emergency import controls is the responsibility of various departments of the Government. The above information is given to aid Canadian citizens in complying with the new import control regulations with a minimum of inconvenience in their business and personal affairs.

Douglas A. Ross
Minister of Finance.

NEWS & VIEWS OF TOWN AND DISTRICT

DEATH—To Mr. and Mrs. G. T. Young of Greenfield at the Wainwright municipal hospital on January 18th a boy.

Mrs. W. W. Arison left for Ontario to attend the funeral of her brother, Mr. C. A. Courtney of Prince Albert, Sask., who passed away very suddenly in Tucson, Arizona, where he and Mrs. Courtney had gone to spend the winter. The remains have been taken West and will be interred in the family plot at Lloydminster, Ont.

The first Cockshutt "30" tractor received in the Wainwright district went to Mr. R. W. Campbell, from Guy Tox's warehouse last week. This tractor now made in Canada has been sold in the U.S.A. for the past three years, marketed on the Co-op principle.

Word has been received by Mrs. S. Cooper that a former resident of the Trailford district, Mr. A. H. Wilkie, died at his home in Scotland on Dec. 8th.

Mr. and Mrs. A. Myggland, accompanied by Miss Runny Bond, drove over to Lloydminster for a few days at the week-end.

Some excitement should be caused today (Wednesday) as the points competition will be played off Wednesday afternoon at the curling rink. All members of the men's club are eligible to partake in the competition which will include nine different shots, and each shot payable with four rocks making each man throwing 36 rocks.

Mayor and Mrs. Robinson Surprised By Friends

A number of friends surprised our Mayor and his wife on Sunday evening, the occasion being Mrs. Robinson's birthday.

A most enjoyable evening was spent playing monopoly and chess, checkers, after which a sumptuous lunch including a birthday cake with candles was enjoyed by all.

Mrs. Ed Turner in a most fitting manner presented the gift of honor with a gift, and Mrs. Robinson graciously thanked her friends for such a happy surprise.

Guests were Mrs. Reynolds, Mrs. Dundas, Mrs. Rossie Taylor, Mr. and Mrs. Ed Turner, Mr. and Mrs. Bob Eggey, Mrs. Hazel Parkhurst, Mr. Harold Carr, Mr. and Mrs. Clarence Alexander and daughter Anne.

Connaught Chapter O.E.S.

Connaught Chapter order of Eastern Star held their Annual Installation Ceremony at their meeting Wednesday night last. The many reports read showed a real successful year, socially, financially also an increase in membership.

Mrs. Edith Fleming, Past Matron of Marpole Chapter O.E.S., Vancouver, as installing officer assisted by Mrs. Marjorie Alexander as marshal and Mrs. Olive Wilson as chaplain installed the following officers: Worthing Matron—Mrs. R. Hartling; Worthing Patron—Mr. L. Myggland; Asst. Matron—Mrs. L. Myggland; Asst. Patron—Mrs. G. Madder; Secretary—Mrs. F. J. Lepper; Treasurer—Mrs. C. Alexander; Conductress—Mrs. S. Ryan; Asst. Conductress—Mrs. H. E. Buckle; Chaplain—Mrs. E. Wilson; Marshal—Mrs. L. L. Barlow; Organist—Mrs. L. F. Mitchell; Adah—Mrs. T. Torrance; Roth—Mrs. P. Roberts; Esther—Mrs. L. Stott; Martha—Mrs. O. Bean; Electa—Mrs. G. Madder; Warden—Mrs. N. McTurk; Sentinel—Mrs. I. Hamilton.

After installation lunch was served and a pleasant hour spent.

According to a national survey, Wainwright ranked with Wetaskiwin for top honors, last week, in the fire prevention program during 1947. This was for towns having a population of 5000 or less in Alberta.

Warning to the Public

Canadian Army field firing practice will take place at Wainwright, Alta. between the 29 January, 48 and the 15 February, 48 inclusive, in the area known as the "Buffalo Park", Section 35, Township 44, West of the 4th Meridian. During the period mention of the area as outlined within the perimeter of the park fence, will be a DANGER area.

Moved by Mr. Taylor that the Building Committee with the Reeve and Secretary be empowered to insure the contents in the Municipal Garage against fire, also take the matter up with the Casualty Company of Canada to have the Bunkhouses and Oil Wagons included in the Fleet Insurance Policy against fire. Carried.

Moved by Mr. Sutherland that psychics amounting to \$750.00 be passed and paid when signed by the Councilor concerned.

Moved by Mr. Archibald that the Secretary contact the Department of Public Works with reference to the District application to have the Lewisville and Hawkins Roads declared Market Roads. Carried.

Moved by Mr. Taylor that the report of Committee re 1948 Oil and Grease supply be accepted. Carried.

Secretary reported that no enquiries had been received from the advertisement re sale 308 Motor Grader.

Secretary read the correspondence from the Department of Public Works 22nd December, 1947 with reference to the Municipality's responsibility for the maintenance of all District and local Highways as set out in the Public Highways Act, Chapter 83, 1929, (R.S.A. 1942 Chapter 74). Same was noted and filed.

The following matters were dealt with and referred to the Building Committee: Truss rods for Garage, Fire Extinguishers and a place made available for a parts in Public Works Committee: A. D. Motor to be winterized when the cab has been put on, and if necessary, that this machine be used this winter. The 800 and 311 to be overhauled. Interview the Calgary Power re a Commercial Power rate, and arrange with

Mrs. J. Morgan returned home the first of the week from Lloydminster after visiting with relatives there.

Mr. R. J. Tattersall, who is farming the Bruce Nichol place south of town is the proud owner of the first 1948 2 ton Dodge truck purchased from Reynold's Garage.

Mrs. Dave Jones left on Monday's bus for a few days visit in the city.

Messrs. Cliff Reynolds, Gregor McCluskey, Henry Wilhart and H. A. Koch, drove to Edmonton last week returning with four trucks purchased by Reynold's Garage from War Assets.

Mrs. A. T. Gray of Edmonton was a week-end guest at the home of Mr. and Mrs. W. S. Clark and while here also renewed acquaintances with other friends in town.

Miss Ellen Gramke spent the week-end in Edmonton on a business trip returning home on Tuesday.

Messrs. Quinton and William Carrell motored from Edmonton Saturday morning to spend the week-end with their parents, Mr. and Mrs. W. Carrell in town.

Mrs. D. Gardiner accompanied by her daughter Georgina left on Saturday for the coast where they will attend the wedding of another daughter, Miss Beulah Gardiner in New Westminster on January 23rd.

New Owners Take Over Implement Business

Mr. Gordon Graham announced this week that he had disposed of his implement business to the King Brothers of Fabyan, and the owners took over the business on January 18th.

Mr. Graham said in an interview with the Star that he plans on living a semi retired life from now on. Starting into business nearly ten years ago, as the Messrs. Harris dealer in Wainwright, he thought that the time had come for him to give up some of his activities. When asked what his plans were for the future he stated that he hadn't anything definite in mind. At present he and Mrs. Graham will continue to reside in Wainwright.

ANNOUNCEMENT

GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. Fred Krimbill will celebrate their Golden Wedding Anniversary in the Aspen School on the evening of Monday, January 26th. A cordial invitation is extended to all.

THE WINNIPEG GRAIN EXCHANGE IS A MEETING PLACE—

Except that business is done on a larger scale, the Grain Exchange is similar to a town or village market where farmers bring in produce to sell and the public go to buy it.

The Exchange itself neither buys nor sells grain. Nor is it a profit making institution.

Nobody in the Trade is asked to become a member. It is entirely a voluntary association of men engaged in buying, selling, handling, processing, storing, financing, shipping, importing and exporting grain. The Exchange is their common meeting place where business can best be done economically and without loss of time. Every member of the Exchange serves the interests of farmers in one way or another.

While a few men who farm on a large scale are members of the Exchange most farmers, when they wish to buy or sell grain, employ a Commission Agent, Elevator Company, Co-operative or Pool to act as their Agents.

All "Pools" are members of the Exchange and use all of its facilities. They couldn't get along without the Exchange—and they know it.

The Exchange has been in operation for sixty years and is well known because of the high standards of conduct observed by members.

Farmers are cordially invited to visit the Exchange during trading hours, 9:30 to 1:15 p.m. Ask to see the President or Secretary, or any Member. Ask questions. Straight answers will be given.

Our members favour a floor price for wheat, administered by the Canadian Wheat Board. But they also believe that farmers should have the opportunity to get top world prices NOW, through open markets, while prices are high.

The more farmers know about the Exchange, the better for all concerned. Meantime mail the coupon below for booklet explaining the Canadian Wheat Board Act. It explains how farmers are regimented and controlled by it, in its present form.

To The Winnipeg Grain Exchange,

Winnipeg, Manitoba.

Please mail booklet to which you refer above.

Radiograms

AMAZING CONCURRENCE

It is quite something when one local listener wins a national prize, but when two local fans win prizes on the same program, it's news. And when the two prizes are the two major prizes—one the cumulative prize, the other the big prize of the day—then it's quite amazing.

This happened on the Lucky Listener program recently. Two Edmonton listeners were the big winners. Mrs. R. T. Dean, 11514 - 125 Street won the day's big prize—a Platinum Fox Fur necktie. Mrs. R. Clarke, 11836 - 59 Street really cashed in when her name was drawn for the huge cumulative prize. She won 20 pairs of nylon hose, Graham Rangette, Locomotive Washing Machine, Bushnell Cedar Hope Chest, Filter-Queen Vacuum Cleaner and six kitchen appliances.

We wonder if the ladies believe in Santa Claus?

THAT ENDLESS STREAM

There seems to be no end to the amount and variety of public service offered daily by C.J.C.A. A check through any daily schedule (except Sunday) will reveal a lineup approximately as follows:

Daily Devotion—15 minutes

44 time checks

28 temperature readings

12 hockey scores

Health League Report—10 minutes

18 minutes for 5 public service organizations re coming events

2 City Police "lost person" announcements

1 "Lost Wallet" announcement

2 "Lost Parcel" notices

Consumer's League interview—5 minutes

Then, of course, thanks to Edmonton City Baking and other local and national sponsors, public service abounds on numerous sponsored programs. C.J.C.A. Club Calendar offers a public service to an average of 100 welfare organizations in Northern Alberta monthly. Yes, radio is an indispensable institution.

Survey Made Of New Home Plans

Forty per cent of the homes planned by Canadian home-owners are now under construction or will be started by next summer, the Canadian Institute of Plumbing and Heating determined in a Dominion wide survey just completed.

The majority of those who have decided on plans for their homes intend to have two or more bedrooms, washrooms or toilet rooms, with half preferring the facilities on the main floor and about a quarter planning bathrooms on the second floor. The rest intend to place facilities in the basement or on the third floor, according to an analysis of the answers.

This contrasts with location of existing facilities the Institute pointed out. The survey reveals that nearly two-thirds of present Canadian homes have bathrooms on the second floor.

More than 68 per cent of the homeowners planning to have laundry tube in their new homes intend to install them in the basement, the rest will install them on the ground floor or are undecided. Three quarters of these builders plan two tubs to make the washing of clothes easier, the survey showed.

Alberta's License Plates By March 15

New motor license plates for the 1948-49 period which opens April 1, will be available soon after March 15, according to information received by the Alberta Motor Association from the provincial secretary's department.

The plates have been ordered and are expected to be delivered during the present month to the provincial authorities. During February, they will be distributed to the different licensing agencies, including branches of the A.M.A. which issue thousands during the year.

This year, the province is returning to the two-plate system, which will mean front and rear plates. These were given up during the war period, owing to the shortage of steel.

Provincial officials point out that owners should take steps to see the frames or holders for the plates are obtained. During the war years, many of these frames were taken off the cars, while some of the new cars have no such device.

During the present year, a record number of cars are expected to be licensed, through the 1947-48 year already has run a record total of 102,000.

J. Stinet (Tigers)

A schedule was drawn up and the league will operate during the remainder of the winter. Credit for initiating this league must go to John MacKenzie.

Pee - Wee Hockey

(Held over last week)

A meeting was held on Monday, January 12, of all public and separate school pupils interested in playing Pee-Wee Hockey. There was an excellent turn-out of kids desiring to play hockey—enough to form four teams. The following were chosen as Captains:

G. Allott (Red Wings)

J. Murphy (Black Hawks)

G. Smith (Maple Leafs)

J. Stinet (Tigers)

A schedule was drawn up and the league will operate during the remainder of the winter. Credit for initiating this league must go to John MacKenzie.

Quantity of imports of oranges from the United States should not be cut if current prices in producing areas remain at their present low level, according to Canadian Grocer. This is made possible in spite of the

dollar-saving import restrictions which limit imports to 50% of the dollar value of imports in the year ending June 30, 1947. Price of oranges a year ago was just about double what it is today, so half the number of dollars buys as many oranges as last year.

Wife Savers

To remove paint from an iron bed, scrape off as much as possible with an old kitchen knife, then soften what is left with a paint brush dipped into spirits of turpentine, benzine, or a strong solution of equal parts of oxalic acid (poison) and water. Let stand awhile, and the paint may be wiped off with a coarse cloth or rubbed away. Repeat process if necessary.

The importance of cleverly applied cosmetics is a well recognized fact. Our modern word "cosmetic" is derived from the Greek word "Kosmetika" meaning "skilled in decorating".

Today's modern science enables woman, with the aid of her beautician, to develop her inherent beauty of face and form. Your beauty operator can give you expert advice and with the proper treatment conserve and enhance your complexion and accentuate your best features.

We specialize in hair and scalp treatments, permanents and the latest in styling to bring out the natural beauty of your hair.

Rosewillow W. I.

The January meeting of the Rosewillow W.I. was held at the home of Mrs. McQueen with 11 members and your visitors present. The roll call was answered by "Suggestion for Years Work."

Mrs. Sewell gave a reading on Daring Spies and Novelty Patchwork. Mrs. McQueen gave a report on Inspired Hearing and How to Make a Mustard Plaster.

Sick Committee reported three

members of fruit had been sent this month. Ten dollars was donated to a fund for a piano at Roseville Hall.

Secretary sent for remittance, fancy work, wool and quilt patches to re-stock the work box.

The ladies decided to meet at the home of Mrs. Goddard to piece a quilt.

A card party will be held at the home of Mrs. Black on January 17.

The objective for next month is a novelty made by each member, Mrs. Avison won the contest given by Mrs. Olson and Mrs. Goddard won the raffie.

The next meeting will be held at the home of Mrs. Cary. The roll call is to be Horreasted Days.

After the meeting adjourned lunch was served by Mrs. Mothers assisted by Mrs. Sewell and Mrs. Olson.

The coal bin should be as close as possible to the boiler or furnace and be well lit, advises the Canadian Trade Union of Plumbers and Heating. It should have a door of adequate size which is easy to open, and it should be dust-tight. Moreover the bin should be easy to fill from the outside.

Word was received this week from Mr. and Mrs. Philip Wilhelm and family who have arrived at Leamington, Ontario, to spend the winter there.

New pupils at the Plaxtonville school for the second term courses are Elmo, Ernie and Rodney Meyer of White Cloud and Florence, Doreen and Eileen McNern of Mascot.

The Gilt Edge Ladies Welfare held their monthly meeting at Mrs. C. Hicox on Thursday last.

A social evening was held at the Plaxtonville school by the district and friends. A number of games were played and a short dance followed, everyone having an enjoyable time.

It's rumored wedding bells will soon ring again in the district.

A number of people of the district attended the John Deere show last Thursday.

Mr. and Mrs. Ted Goddard and family have now returned from visiting relatives at Chatham over the New Year.

Miss Doreen Nichola of Wainwright is at present visiting with her uncle and aunt, Mr. and Mrs. Fred Adams and family.

SHEEPSKIN FLATS

The Gilt Edge Welfare Club held their monthly meeting at the home of Mrs. Cecil Hicox. In spite of the recent blow making a lot of the roads impassable, quite a nice crowd attended.

The ladies decided to hold a Valentine dance and sale of home cooking in the Park Hall on February 20th.

Mrs. Dave Gardiner left on Sunday morning's train for New Westminster B.C. to attend the wedding of her eldest daughter, Beulah to Mr. Harold Myggland formerly of Wainwright.

Mr. Keith Babb spent a couple of days visiting with his parents before returning to his work on the wells in Leduc.
